This afternoon in the playground we noticed a large web between the two trees by the fence. Inside the web we saw a couple of insects but not the spider. This brought up a "web hunt". Grabbing the magnify glasses we searched for spider webs. We saw 6 webs altogether and 3 of them had small spiders in their web. We took photos of these to see if we can identify the names of the spiders. The children have shown a interest in spiders which we will explore throughout this week.
