

On Thursday 26th January we celebrated Australia Day. We took the children to the park for an Australian Day picnic, to celebrate our wonderful country. The pre-schoolers made blue cakes, lamingtons, Vegemite and cheese rolls for all of us to share and we also had Pavlovas. What a wonderful array of Australian foods!

As we sat down and ate together we talked about what makes Australia special to us and the children conveyed that they liked the beaches, the parks, the food, everyone is friendly and it's always hot (especially summer). Nice way to spend the afternoon. Happy Australia Day!

January 26th
