

Change Of Clothes

Today got a little dirty so we had to change their clothes. In this bag you will find the clothes we changed. Please remember to send a new set of clothes with your child's name in a bag, we can keep here, just in case.

Thank you!

This happened because :

- Got a little dirty while playing.
- Spilled food on themselves while eating.
- Had a toileting accident.

Please let me know if you have any further questions!
