

Friday Feedback

Every Friday the children choose a photo and talk about their week!

I played Jenga with Matthew and Bronx. It was so fun. First we each had a turn then we used dice and we had to remove the pieces as we rolled. - Texas

I enjoyed doing Build a Bugs with Abigail. - Sarah

I made Kindness Rocks with Joseph and Mark. We painted them in rainbow colours and scattered them over the playground and around the school with Miss Kelly for others to find. - Alana

Love planting and playing in the gardens this week! I want to make a fairy garden! - Bella

Playdough was really fun. I enjoyed making animals and we ended up making a playdough zoo. - Cody

We talk about what they think went well and what they think they can improve upon.
