

## I Miss You

I miss you when we're not together

I'm growing up so fast

See how big I've gotten

Since you saw me last?

As I grow, I'll change a lot.

The years will fly right by.

You'll wonder how I grew so quick

When and where and why?

So look upon my smiling face

That's hanging on your wall.

And memories will come back of me,

When I was very small.
