

## EYLF Outcome 4: Children Are Confident And Involved Learners

Child name: Mia Educator: Mary Date: 9.2.2023 Age: 5

Mia walked over to the Kiddy pool which had soil and water mixed together. She looked at it, bent down and put her hand in it. She lifted her hand to see the mud that was on there. She lifted her hand to the Ms Mary, "its dirt Mia you can play with it" she said, Ms Mary stood in the Kiddy pool and held her hands out towards Mary "come in, I got you" she said. Mia took two steps towards Ms Mary grabbed them both and guided Mia into the Kiddy pool full of Mud.

Through this experience it is evident that Mia is a confident and involved learner. She resources her own learning through connecting with people, place technologies and natural and processed materials (4.4), Mia engages in learning relationship, uses her senses to explore natural and built environment and manipulates resources to investigate.

### Linking To The Outcomes

- 4.1 Children develop a growth mindset and learning dispositions such as curiosity, cooperation, confidence, creativity, commitment, enthusiasm, persistence, imagination and reflexivity
- 4.2 Children develop a range of learning and thinking skills and processes such as problem solving, inquiry, experimentation, hypothesising, researching and investigating
- 4.3 Children transfer and adapt what they have learned from one context to another
- 4.4 Children resource their own learning through connecting with people, place, technologies and natural and processed materials

### Extension Ideas

To extend in this learning opportunity we will provide a sensory table for Mia.

Date: 10.2.2023

### Evaluating The Extension

Mia enjoy playing with play dough at home.
