

Dramatic Play

Date: 27.02.2023

The children today had a character book parade at the centre. They had to choose a book and a character from that particular story to dress up as. The children were all very excited as they observed each other as different characters. The children spent most of the day dressed up and as they engaged in the experiences within their room they spent their time within the character, they had chosen.

Dramatic play enables children to dress, act out and be someone else other than themselves. It gives them an opportunity to role play different scenarios that they may be afraid of, have viewed in their every day lives or to help get an understanding of the situation.
