

Reflections Of Our Day

Date: 04.7.2023 **Group:** Preschool **Educator:** L.A

The morning brought a spontaneous experience as Sophie and Eva were very excited to share their news with us today. "Me and Eve went to the zoo together yesterday" Sophie said, "We saw a baby monkey, the giraffe and the baby elephants" Eve commented. This turned into a great discussion between the children about the natural habitat of animals. "Lions, elephants and tiger live in Africa" Todd explained. " There are elephant in India too" Manu commented "Is there a jungle in Africa. that's where they live" Maily questioned, The children were eager to find out more information on where the animals lived. "Can we make our own animals?" Sarah asked, "Boxes, colored paper, taxtas, glue, scissors and paint"
