

Child: Julia
Age: 2 years old
Observation Area: Dress Ups
Observing Educator: Lorina
Date: 10-Jan-24

What Did You Observe?

Julia in dress ups picked up the beaded flower necklace and put them on. She looked up and smiled "look me" she said. "That's a pretty necklace" Ms. Lorina said. Julia nodded "green" she replied. "Yes Julia, the necklace is green, is it your favourite colour?". Julia shook her head and pointed to the blue painting on the wall "me lue" she replied. "Oh blue is your favourite colour" Julia nodded and clapped her hands. "My favourite colour is yellow" Ms. Lorina replied. "ellow bright" Julia said.

What Did The Child Learn?

Through the experience it is evident that Julia interacts verbally and non verbally for a range of purposes (5.1). She engages in enjoyable interactions, conveys and constructs messages with purpose and confidence and uses language and representations from play.

What Experience Will Support The Child To Learn More?

Mixing colours

When?

17/01/24

What Is The Goal Of This Experience?

5.4 - Children begin to identify and use the names of basic colours.

Was The Goal Achieved?

Yes

How Was It / Wasn't Achieved

Julia explored mixing colours using paints. As new colours emerged Julia was able to name and identify them.

Additional Comments

We will continue to explore colours as it has become a topic of interest.
