Children are confident and involved learners	<input checked="" type="checkbox"/>	Explores patterning games with intent and shows persistence with puzzles.
Children are effective communicators	<input checked="" type="checkbox"/>	Uses a wide vocabulary and contributes ideas.

## PROGRESS AT A GLANCE

Aanya has continued to grow in confidence this term, particularly in social settings. She has demonstrated increased willingness to try new tasks, engage in imaginative play, and collaborate with peers. Her language development has flourished, and she now confidently initiates conversations, asks questions, and retells familiar stories during group time.

## STRENGTHS & INTERESTS

- Enjoys creating with loose parts and natural materials
- Confidently engages in role play, especially "home corner" and "vets" setups
- Expresses ideas clearly using drawings and oral language
- Curious about counting, sorting, and shape-matching activities

## EMERGING SKILLS/NEXT STEPS

- Extend opportunities for using early mathematical language (e.g., "more," "less," "same")
- Support turn-taking in larger group games
- Encourage storytelling through visual prompts and picture sequencing
- Introduce simple mindfulness techniques during transitions
