

My Activity Review

Activity Name: Painting With Leaves

Date: 23-Feb-26

1. How I Felt

I had lots of fun.

It was okay.

I didn't enjoy it much.

2. What I Did

I joined in straight away.

I tried something new.

I worked with friends.

I helped someone.

3. My Favourite Part

I loved pressing the leaves onto the paper.

4. What Was Tricky

It was a bit hard to keep the leaves flat.

5. Next Time...

I'd like to do this again.

I'd change something.

I'd like to try a new idea.
