

Dear Mr and Mrs McKenzie

It has been my pleasure and privilege to watch Julia's personality unfold day by day and marvel at this splendid miracle of development.

We have lived, loved, laughed, played, learned, and enriched our lives together this year. We have grown close, have become a part of each other and we shall always retain a little of each other.

I will always remember:

Julia is such a happy girl. Always has a smile on her face and always makes us smile. When we are having a hard day it's as if Julia can sense it and she would give us a smile or a cuddle and that would brighten up our day!

With a heavy heart and tears in my eyes, I will miss all the moments we had together. The memories we have shared throughout this year will always be a part of me and Julia will surely be missed by me.

Thank you for sharing your most precious gift with me!

Your teacher:

Lorina
