

The illustration depicts a whimsical scene. On the left, a young girl with blonde hair, wearing a red dress with white polka dots, is floating in the air, holding two large balloons, one pink and one red. On the right, a young boy with blonde hair, wearing blue overalls over a grey and white striped shirt, is walking on a green field with small pink and white flowers. He has white wings on his back. The background is a blue sky with white clouds and a purple butterfly. The entire scene is framed by a decorative black and white border that resembles an open book.
