

## How I felt

I'm happy because I'm going on a big holiday over the break and spend time with my family. I will come back for some time after my holiday before I start big school. :)

## Favourite activity

I like to do cooking! It's messy and it's fun and the best part is that we get to eat if after we finish making it. I love chocolate the best and making chocolate cupcakes.

## Best memory

We went to the zoo with everyone in my class! It was so much fun and mum came along too! We got to see the lions, tigers and elephants. Our teacher surprised us with a keyring!

## Teachers Message

Mason, you're such a sweet and happy boy and we are going to miss you're smile! Thanks for brightening up our day with your jokes and sense of humor! We wish you all the best next year!
