

HARMONY DAY- 21 MARCH

Everyone Belongs

Children Are Connected With & Contribute To Their World

At our centre we are very lucky to have families from all different cultural backgrounds. It's so nice to see children and families developing relationships with one another, even though each other's cultures are so different. We accept children and their families with open arms, no matter where they come from and children are taught to respect everyone, differences or similarities we learn to live and love one another. For Harmony Day, each family brought in a special food from their culture to share with the children. We tasted so many different dishes and got some recipes to cook for lunch! We also learnt some songs and words in different languages.

EYLF - Learning Outcome 2

2.1 - Children develop a sense of belonging to groups and communities and an understanding of the reciprocal rights and responsibilities necessary for active community participation.

2.2 - Children respond to diversity with respect.

2.3 - Children become aware of fairness.

2.4 - Children become socially responsible and show respect for the environment.
