

# Mother's Day

*Three little words,  
Right from my heart.  
I just want to say,  
"I love You" Mum!*

## **My mum is special because:**

She takes care of me and she looks after me. I love spending time with her and playing so many different games with her. Mummy makes me smile, makes me laugh and makes me happy!  
Happy Mother's Day mummy! I love you with all my heart!
