

My First Day

Jan 08, 2018 - Today was Patricia's first day in the Preschool Room. She was extremely excited when she came in the room. She said her goodbye quickly to her mum and then joined the others at the block table. For craft, Patricia wanted to do Shaving Cream Prints, using the food colouring. At rest time, Patricia was given a small colouring book to work on while the other children slept. For afternoon play, Patricia and her friends joined hands and skipped through the playground. Patricia had a very lovely first day for the year! Welcome!
