

**We use our walking  
feet inside.**

**We use our inside  
voices.**

**We use our listening  
ears.**

**We pack away when  
we are finished.**

**We keep our hands  
and feet to ourselves.**

**We help and take  
care of each other.**

**We share and  
take turns.**

**We use our words  
when we are angry.**
