

Valentine Family Heart

Dear Families,

Spread a little love and celebrate
Valentine's Day with us.

Attached you will find a giant
heart. We would like you to decorate it
along with your child. You can colour
it, paint it, draw on it, glitter it, collage it,
anything you choose!

These beautiful hearts will be displayed
in our room to spread love and smiles
on Valentine's Day.

Please return your
Valentine Family Heart by:

Friday, 7 February 2020

Thank You!
