

Progress Report for

Eloise Harper

Learning Outcome 1

Eloise cooperates and works collaborative with others. She enjoys small group and large group experiences and games and demonstrates awareness and respect of the rights of others. This is seen during play when she handles tiffs between friends.

Learning Outcome 2

Eloise actively seeks the environment of her peers. She is always looking for others to get involved in her play. If she sees a peer by themselves she would ask if they would like to join in. Eloise is confident to express her personal opinion with friends and during group.

Learning Outcome 3

Eloise is connected with her friends in a happy and positive way. She shares her humor with others and is always looking at ways to make others laugh. She is also a very active child and participates in lots of physical activities such as dance and movement,

Learning Outcome 4

Eloise is an enthusiastic learner. She is always one of the first to want to try something new or get involved in projects. She is very imaginative and expresses her creativity through play and initiates and contributes to play experiences emerging from his own ideas.

Learning Outcome 5

Eloise is confident and clear to understand when using verbal communication. She confidently engages in small and large group experiences and shows she is actively listening. She likes stories and uses creative arts such as drawing, painting to express ideas.

Overall Behaviour

Eloise is a caring child to both Educators and her peers. She is polite and thoughtful and considerate of others.

Work Habits

Eloise is an independent worker and is persistent when she finds a task difficult. She also work corroboratively with others.

Educator Comments

It's a pleasure having her in my room. We enjoy her infectious laugh, her adventurous spirit and her overall playfulness.
