

# Guess What's In The Egg?

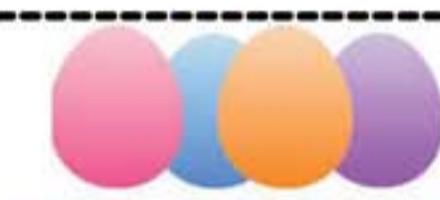

Matthew has brought home a plastic egg.  
Please help your child choose an object from home to place inside the plastic egg.

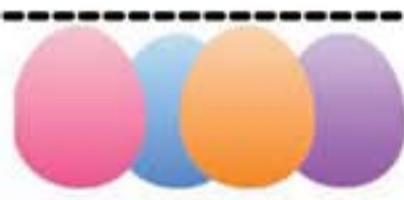

Next, help your child write 3 clues, to describe the object inside of the plastic egg. The clues will then be read to the children during group time and the children will guess what's inside your child's egg.

Please have the plastic egg with the item inside and clues written returned by:
