

A Poem For Educators

Miss Rebecca

Every day you greet your children with a smile upon your face.
Planning and documenting each day seemed like a gruelling race.

Money's not your motivation, it's the love for what you do.
You hear that special calling to which you always will stay true.

Your children are your dedication, devotion is to them.
To you each child's unique and special, a beautiful little gem.

Some days are just demanding and frustration takes its course.
Then you see those little faces, their inspiration is your force.

Each day you're in your room reminds you why you're there.
Making differences in children's lives with whom your heart you share.

There's a special pride in Educators, and a love for what you do.
And appreciation's always shared between those little lives and you!
