

# With My Own Two Hands

I can change the world  
With my own two hands.  
Make a better place  
With my own two hands.  
Make a kinder place  
With my own two hands.

## How Can You Make The World A Better Place With Your Own Two Hands?

I want to save all the animals in the forest from getting hurt when trees are getting chopped down. I want to plant more trees so the ones we chop down can grow again. I want to help stop the pollution and make the air breathable again.
