Dear Mum,

Today's my first day let's give a hip hooray!

I have this little gift for you to help
you through the day.

A cup of tea to warm your soul,
a hug & kiss to comfort you
and just in case a tear escapes
there is a soft tissue.

So don't you worry Mum & Dad,
I'm off to a great start.

I may be out of your sight,
But I'm always in your heart.
