

MY NEW INVENTION

Name: Robert

Plan out a new invention

My invention is called: Balloon Car

Supplies I need:

One big sized balloon and more!
Two long wooden skewers
3 drinking straws with one having a bendy side
A stiff cardboard sheet
A nail and a hammer
Bottle caps
Masking tape
Small rubber bands

What Is My Invention Used For?

To see how fast my car can go with balloons.

What Does My Invention Do?

The balloons can power the car and make it go!

What Does My Invention Look Like?
