

# Picture Subtraction Worksheet

Child's Name: \_\_\_\_\_ Age: \_\_\_\_\_ Date: \_\_\_\_\_

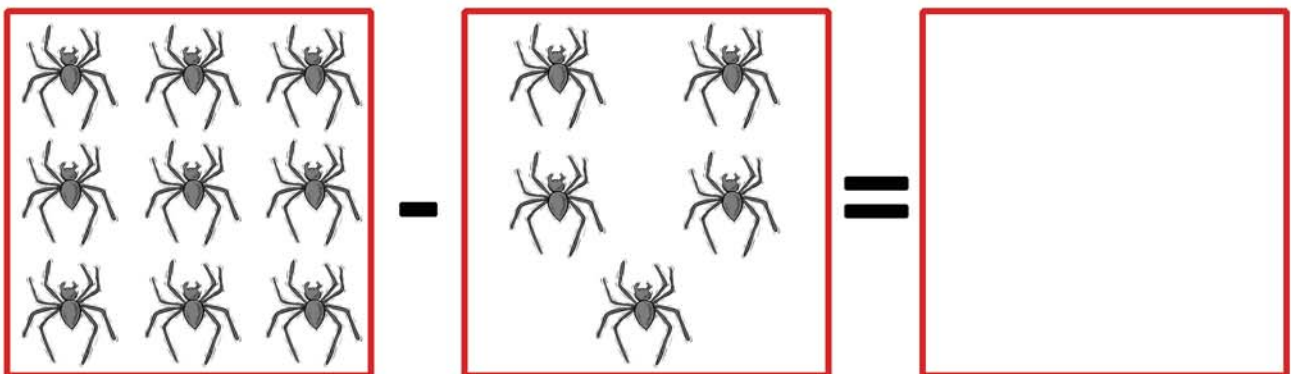

Encourage child to count the number of pictures in each box, subtract the images and draw the total subtracted images in the box.

A subtraction problem using butterflies. The first box contains 7 butterflies (3 in the top row, 3 in the middle row, and 1 in the bottom row). This is followed by a minus sign, a second box containing 2 butterflies, an equals sign, and a large empty box for the answer.

A subtraction problem using beetles. The first box contains 6 beetles (3 in the top row and 3 in the bottom row). This is followed by a minus sign, a second box containing 4 beetles (2 in the top row and 2 in the bottom row), an equals sign, and a large empty box for the answer.

A subtraction problem using spiders. The first box contains 9 spiders (3 in the top row, 3 in the middle row, and 3 in the bottom row). This is followed by a minus sign, a second box containing 5 spiders (2 in the top row, 2 in the middle row, and 1 in the bottom row), an equals sign, and a large empty box for the answer.
