

Picture Subtraction Worksheet

Child's Name: _____ Age: _____ Date: _____

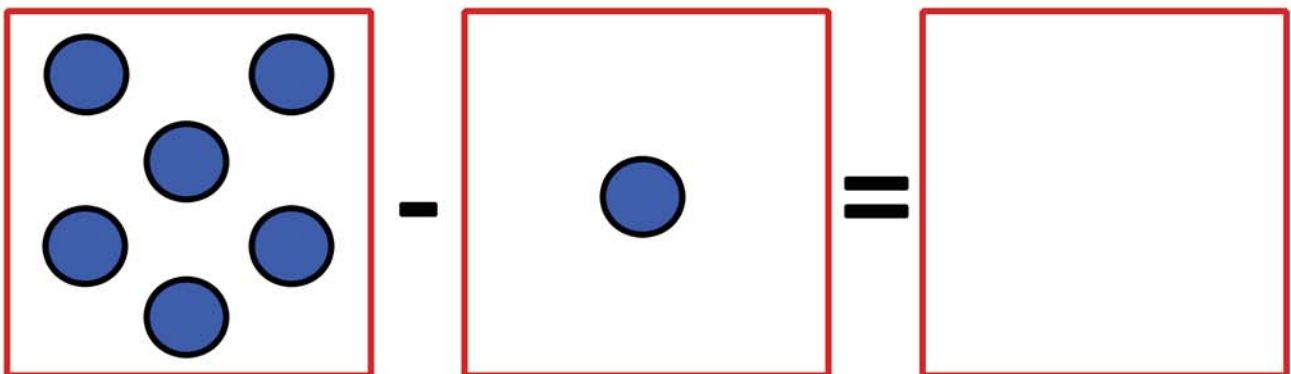

Encourage child to count the number of pictures in each box, subtract the images and draw the total subtracted images in the box.

A subtraction problem using green squares. The first box contains 8 squares (two rows of three and one row of two). The second box contains 2 squares. The third box is empty for the answer.

$$\begin{array}{|c|} \hline \square \square \square \\ \hline \square \square \square \\ \hline \square \square \\ \hline \end{array} - \begin{array}{|c|} \hline \square \square \\ \hline \end{array} = \begin{array}{|c|} \hline \\ \hline \end{array}$$

A subtraction problem using yellow triangles. The first box contains 10 triangles (three rows: top row has 3, middle row has 3, bottom row has 4). The second box contains 2 triangles. The third box is empty for the answer.

$$\begin{array}{|c|} \hline \triangle \triangle \triangle \\ \hline \triangle \triangle \triangle \\ \hline \triangle \triangle \triangle \triangle \\ \hline \end{array} - \begin{array}{|c|} \hline \triangle \triangle \\ \hline \end{array} = \begin{array}{|c|} \hline \\ \hline \end{array}$$

A subtraction problem using blue circles. The first box contains 6 circles (two rows: top row has 3, bottom row has 3). The second box contains 1 circle. The third box is empty for the answer.

$$\begin{array}{|c|} \hline \circ \circ \circ \\ \hline \circ \circ \circ \\ \hline \end{array} - \begin{array}{|c|} \hline \circ \\ \hline \end{array} = \begin{array}{|c|} \hline \\ \hline \end{array}$$
