

Here Is A Bunny

Here is a bunny,
(hold up two fingers)

With ears so funny.
(wiggle fingers up and down)

And here is his
Hole in the ground.
(make a hole with the fist of the
other hand)

At the slightest noise he hears,
He pricks up his ears.
(wiggle fingers)

Then he hops to his
Hole in the ground.
(wiggle fingers into the hole in the fist)
