

## Who's That Knocking?

Who's that knocking on my door  
I must admit I'm little scared,  
I open it and what do I see,  
A scary old witch and she's  
laughing at me  
Hee hee hee

Who's that knocking at my door  
I must admit I'm a little scared,  
I open it and what do I see,  
A green monster and he's growling  
at me,  
GRRRR

Now I'm walking out that door,  
I'm not gonna be scared no more,  
I'm in my costume and I'm ready  
to be  
The one who's scaring you  
BOO!
