

Old MacDonald Had a Farm

Old MacDonald had a farm,
EE-I-EE-I-O.

And on that farm he had a cow,
EE-I-EE-I-O.

With a moo moo here
and a moo moo there
Here a moo, there a moo,
everywhere a moo moo
Old MacDonald had a farm,
EE-I-EE-I-O.

*(The verse is then repeated,
but with different animal and animal sounds each time).*
