

EYLF Outcome 4: Children Are Confident And Involved Learners In Action

- Play alongside children
 - Make learning fun, engaging and meaningful
- Children can create their own play with open ended resources
 - Children have choices
 - Children have the ability to explore and experiment
 - Children are allowed to failed and challenged to problem solve solutions
 - Natural resources provide sensory input
 - Children have access to music to extend learning
 - Children are challenged to use a range of skills in areas of their interest through resources, questions and role playing
 - Experiences are created that encourage children to transfer skills to different activities
- Technology can be old phones and keyboards, or pulling apart items
 - Educators think outside the square when planning
 - Children are encouraged to be creative and expressive
 - Children are invited to guess what might happen if...
