

2 Ingredient Soap Foam

Materials Needed:

- ½ cup water
- food colouring as needed
- 1-2 tbsp dish soap

What To Do:

- Pour water into a blender.
- Add 5-10 drops of food colouring and run the blender for a few seconds to combine.
- Add dish soap to the blender. Turn on the blender and run on high speed for 1-3 minutes, until the mixture is nice and foamy.
- Repeat the previous steps to create as many colours as you like. Then, place the soap foam on a water table and let the children explore.
