

# MTOP Outcome 1 - Meanings and Examples

## **Feeling safe and supported**

*A child chooses a quiet space after school to rest, and educators respect this choice.*

## **Developing autonomy**

*Young people plan their own group project, deciding roles and responsibilities.*

## **Positive self-worth**

*A child proudly shares cultural traditions during a group activity.*

## **Interacting with care**

*Children negotiate rules for a game, showing respect for each other's ideas.*

## **Self-expression**

*A child designs their own badge to represent their interests.*

## **Belonging**

*Young people create a "welcome wall" with photos and drawings of everyone in the service.*

## **Confidence in identity**

*A child shares their bilingual skills by teaching peers greetings in another language.*
