

MTOP Outcome 5 - Meanings and Examples

Language development

Children write scripts for a play.

Artistic expression

Young people paint to represent emotions.

Digital communication

Children create a podcast about school life.

Numeracy in context

A group calculates costs for a cooking project.

Storytelling

Children record audio stories to share with peers.

Symbolic communication

Young people use emojis and symbols to create a group message board.

Numeracy in play

Children run a pretend shop, using play money to calculate purchases.
