

QA1 - Educational Program and Practice

Quality Area 1 of the National Quality Standard focuses on ensuring that the educational program and practice of educators are child-centred, stimulating and maximise opportunities for enhancing and extending each child's learning and development.

- 1.1 The educational program enhances each child's learning and development**
- 1.2 Educators facilitate and extend each child's learning and development**
- 1.3 Educators and co-ordinators take a planned and reflective approach to implementing the program for each child**
