

Sustainable Waste Practices In Early Childhood Services

How We Minimise Waste In Our Service

- Purchase only recycled paper towels and recycled toilet paper.
- Request local council to supply a green bin for garden organics.
- Purchase less paper, convert to electronic journals, email newsletters and re-use one sided paper.
- Re-use materials such as cardboard boxes, one side paper, shredded paper, bottle tops etc.
- Setup green trays in the craft area, for children to use one sided paper, scrap paper.
